

Elite Series Opti-FLEX™

NEW

Made in the USA

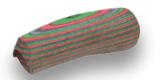

Cork
(Patent Pending)

ProForm®

Leather

Laminated
Hardwood

- Flexible blade helps reduce arm and wrist stress
- Carbon reinforced spine set at an appropriate width to allow the perfect amount of flex
- Rivetless stainless steel troweling surface features a machined edge for a superior finish
- Unique design makes these trowels lightweight with just the right balance
- A great choice for plaster and concrete decor, when flexibility and a light touch are key
- Wider width for increased stability, with broken-in corners
- Choose from four handle designs, including Soft Grip ProForm®, Leather, Laminated Hardwood, and moisture-resisting Cork
