FIVE STAR DRYWALL KNIVES

Rivet-Free Handle, Will Not Rust

Features a non-rust stainless steel blade and rivet-free handle. Because they are constructed for strength and longevity, these are our most popular drywall knives. The 8 available sizes are ideal for scraping, painting, and drywall applications. Choose from a standard or more flexible limber blade. Comfortable contoured handle is easy to grasp and protects hands from the blade. Also available with a sure grip.
